

Catch Better Health

Physician assistants are healthcare professionals who practice as a part of a physician-led team.

Services include:

- **Manage On-The-Job Injuries**
- **Family Medicine**
- **Wellness Exams**
- **Diagnose and Treat Illnesses**
- **Order and Interpret Tests**
- **Preventive Health Maintenance**
- **Pre-Employment Physical Exams**
- **Write Prescriptions**

William A. Jacobs, PA-C
